

PUBLIC NOTICE

The Joint Commission on Accreditation of Healthcare Organizations (JCAHO) will conduct an accreditation survey of World Plaza Surgery, LLC.

The purpose of the survey is to evaluate the practice's compliance with nationally established Joint Commission standards. The survey results will be used to determine whether, and the conditions under which, accreditation should be awarded to the practice.

Anyone believing that they have pertinent and valid information about quality of care issues and the safety of the environment in which care is provided may request an interview with the representative at the time of survey.

If anyone has concerns about patient care and safety in the organization, that the organization has not addressed, you are encouraged to contact the organization's management. If you feel the concerns were not resolved through the organization, you are encouraged to contact the JCAHO by calling 800-994-6610 or emailing complaint@jcaho.org.

The Joint Commission will acknowledge such requests in writing or by telephone and will inform the practice of the request for any interview. The practice will, in turn, notify the interviewee of the date, time, and place for the meeting.

This notice is posted in accordance with the Joint Commission's requirements and may not be removed before the survey is completed.
